

HMM Diagnostics GmbH
 Price List Jan 2018
 Wearables OEM/ODM

POS	Product Name	Picture	Model	Function & Specification
1	Bluetooth Heart Rate Monitor		HRM801T	1.Function: detect heart rate accurately through electrode 2.Ways of detection: wear around the chest, directly touching skin 3.Display: iOS devices and some Android smartphones 4.Data transmission: bluetooth 4.0 5.Material: ABS 6.Size: 66x38x14mm 7.Battery: CR2032 8.Battery life: one year 9.Color: black
2	Bluetooth Heart Rate Monitor		HRM801TH	1.Function: detect heart rate accurately through electrode,HRV function 2.Ways of detection: wear around the chest, directly touching skin 3.Display: iOS devices and some Android smartphones 4.Data transmission: bluetooth 4.0 5.Material: ABS 6.Size: 66x38x14mm 7.Battery: CR2032 8.Battery life: one year 9.Color: black
3	5.3K Heart Rate Monitor		HRM200	1.Function: detect heart rate accurately through electrode 2.Ways of detection: wear around the chest, directly touching skin 3.Display: iOS and Android smartphones with a receiver,also on some watches 4.Data transmission: 5.3K 5.Material: ABS 6.Size: 60*26*12mm 7.Battery: CR2032 8.Battery life: one year 9.Color: black 10. Size of receiver:40*32*10.5mm
4	5.3K Heart Rate Monitor Watch+heart rate belt		HW200+HRM200	1.Function: heart rate, time, stopwatch 2.Data transmission: 5.3K 3.Screen: LCD 4.Screen size: 32.9mm 5.Material: ABS 6.Device thichness: 15.5mm 7.Battery: button cell 8.Color: black, silver, blue, red, gold,green 9.Battery life: 24 months 10.Work with 5.3K heart rate belt through electrode

 Price List Jan 2018
 Wearables OEM/ODM

POS	Product Name	Picture	Model	Function & Specification
5	Bluetooth and ANT Heart Rate Monitor		HRM804	1.Function: detect heart rate accurately through electrode 2.Ways of detection: wear around the chest, directly touching skin 3.Display: iOS devices, Android smartphones, some sports watches, etc. 4.Data transmission: bluetooth 4.0 and ANT+ 5.Material: ABS 6.Battery: CR2032 7.Battery life: one year 8.Color: black
6	Bluetooth and ANT Heart Rate Monitor		HRM804H	1.Function: detect heart rate accurately through electrode,HRV function 2.Ways of detection: wear around the chest, directly touching skin 3.Display: iOS devices, Android smartphones, some sports watches, etc. 4.Data transmission: bluetooth 4.0 and ANT+ 5.Material: ABS 6.Battery: CR2032 7.Battery life: one year 8.Color: black
7	3in1 heart rate monitor		HRM508	1.Function: detect heart rate accurately through electrode 2.Ways of detection: wear around the chest, directly touching skin 3.Display: iOS devices, Android smartphones, some sports watches, etc. 4.Data transmission: bluetooth 4.0 and ANT+ and 5K Hz 5.Material: ABS 6.Battery: CR2032 7.Battery life: 6 months 8.Color: black 9.Data storage
8	3in1 heart rate monitor		HRM508H	1.Function: detect heart rate accurately through electrode, HRV function 2.Ways of detection: wear around the chest, directly touching skin 3.Display: iOS devices, Android smartphones, some sports watches, etc. 4.Data transmission: bluetooth 4.0 and ANT+ and 5K Hz 5.Material: ABS 6.Battery: CR2032 7.Battery life: 6 months 8.Color: black 9.Data storage

 Price List Jan 2018
 Wearables OEM/ODM

POS	Product Name	Picture	Model	Function & Specification
31	Armband Heart Rate		HW702	1.Function: detect heart rate accurately through green LED 2.Ways of detection: wear on the Upper Arm, directly touching skin 3.Display: iOS devices and some Android smartphones 4.Data transmission: ANT+ and bluetooth 4.0 5.Material: ABS 6.Size: 47x34, 5x11,6 mm 7.Battery: Rechargeable 8.Battery life: 20 hours of continous HR monitoring 9.Color: black, blue
9	Heart rate monitor watch		HW652	1.Function: detect heart rate accurately through green LED 2.Ways of detection: wear on wrist, directly touching skin 3.Step counting functionality 4.Display: iOS devices and some Android smartphones 5.Data transmission: ??? ANT+ and bluetooth 4.0 6.Material: ??? ABS 7.Size: ??? 47x34, 5x11,6 mm 8.Battery: Rechargeable 9.Battery life: ??? 20 hours of continous HR monitoring 10.Color: ??? black, blue
10	Heart rate monitor wristband		HW330	1.Function: detect heart rate accurately through green LED 2.Ways of detection: wear on wrist, directly touching skin 3.Step counting functionality 4.Remote music/camera on mobile phone 5.Display: OLED Display 6.Data transmission: bluetooth 4.0 7.Material: ??? ABS 8.Size: ??? 47x34, 5x11,6 mm 9.Battery: Rechargeable 10.Battery life: ??? 20 hours of continous HR monitoring 11.Color: ??? black, blue
11	Heart rate monitor wristband		HW330A	1.Function: detect heart rate accurately through green LED 2.Ways of detection: wear on wrist, directly touching skin 3.Step counting functionality 4.??? Remote music/camera on mobile phone 5.Display: OLED Display 6.Data transmission: ANT+ and bluetooth 4.0 7.Material: ??? ABS 8.Size: ??? 47x34, 5x11,6 mm 9.Battery: Rechargeable 10.Battery life: ??? 20 hours of continous HR monitoring 11.Color: ??? black, blue

HMM Diagnostics GmbH
Price List Jan 2018
Wearables OEM/ODM

	Product Name	Picture	Model	Function & Specification
12	Bluetooth 4.0 HealthBit		PE802	1.Function: daily exercise tracker, steps, calories, distance counter and sleep monitor, with 7 days memory 2.Data transmission: bluetooth 4.0 3.Display: led 4.Material: ABS, TPU 5.Diameter: 32mm 6.Device thickness: 9mm 7.Battery: CR2032 8.Battery life: three months 9.Color: black, blue, gold, silver, red
13	Move		D45425 D45420	1.Function: daily exercise tracker, steps, calories, and distance counter, with 35 days memory 2.Data transmission: ANT and bluetooth 4.0 3.Display: led 4.Material: ABS, TPU 5.Diameter: 27mm 6.Device thickness: 10mm 7.Battery: CR2032 8.Battery life: three months 9.Color: black, blue, pink, orange, green and white
14	Fitness wristband		HW903	1.Function: daily exercise tracker, steps, calories, and distance counter, with ??? 35 days memory 2.Data transmission: 3.5mm Jack communication 3.Display: led 4.Material: ABS, TPU 5.??? Diameter: 27mm 6.??? Device thickness: 10mm 7.Battery: ??? Rechargeable 8.Battery life: ??? three months 9.??? Color: black, blue, pink, orange, green and white
15	Fitness Bracelet		HW382	1.Function: daily exercise tracker, steps, calories, distance counter and sleep monitor, receiving data of heart rate and cycling 2.Data transmission: bluetooth 4.0 3.Display: OLED 4.Material: ABS, TPU 5.??? Diameter: 27mm 6.??? Device thickness: 10mm 7.Battery: ??? Rechargeable 8.Battery life: ??? three months 9.Color: black
16	Fitness Bracelet		HW382H	1.Function: daily exercise tracker, steps, calories, distance counter and sleep monitor, receiving data of heart rate and cycling 2.Data transmission: bluetooth 4.0 3.???Remote music/camera 4.Display: OLED 5.Material: ABS, TPU 6.??? Diameter: 27mm 7.??? Device thickness: 10mm 8.Battery: ??? Rechargeable 9.Battery life: ??? three months 10.Color: black
17	HUB		RC900 ???	1.Function: Ant+ data collection for group of people with heart rate devices 2.Data transmission: WiFi 3.Support mutiple devices 4.Display: LED 5.Material: ABS 6.??? Dimension 7.Battery: ??? Rechargeable 8.Battery life: ??? three months 9.Color: White

HMM Diagnostics GmbH
 Price List Jan 2018
 Wearables OEM/ODM

	Product Name	Picture	Model	Function & Specification
18	Bluetooth 4.0 Skipping Rope		SR428	1.Function: skipping loops, frequency, time and calorie tracker 2.Data transmission: ??? ANT+ and bluetooth 4.0 3.Display: iOS devices and some Android smartphones 4.Battery: CR2032 5.Battery life: one year
19	Bluetooth and ANT Cycling Sensor		BK804	1.Function: cycling speed, cadence, distance tracker 2.Data transmission: bluetooth 4.0 and ANT+ 3.Material: ABS 4.Battery: CR2032 5.Battery life: one year 6.Color: black
27	Bicycle Computer		BC100	1.Function: Display ANT+ Cycling cadence and speed, ANT+ heart rate, Odometer, Time, Temperature, Barometer and Altitude. 2.Display: LCD Display 3.Dimension: ???36x30x13,8mm 4.Material: ABS 5.Battery: Rechargable 6.Battery life: ??? one year 7.Color: black
28	Cadence / ??? Speed Sensor		BK465	1.Function: Magnet-less cycling speed or cadence, distance tracker 2.Data transmission: bluetooth 4.0 and ANT+ 3.Dimension: 36x30x13,8mm 4.Material: ABS 5.Battery: CR2032 6.Battery life: one year 7.Color: black
